Details:

A Concussion Advisory Board is being organized for the communities within the Partners for Health Foundation's catchment area. The Board will be comprised of parent liaisons, one representing each community, who will work together to develop a strategic plan for community education about concussion.

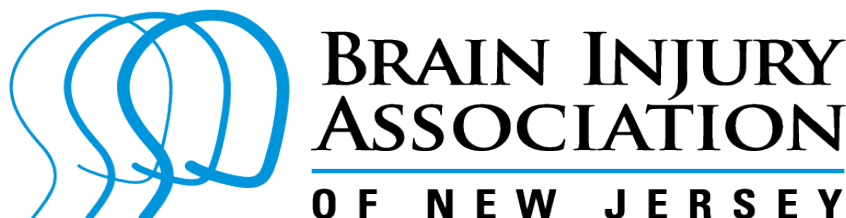

Obligations:

The parent liaisons are expected to attend 4 meetings from now until the spring of 2012. At the meetings materials to support the campaign will be developed and a distribution plan established.

Compensation:

Each parent liaison will receive a stipend in the amount of \$100 at each meeting with an additional \$100 stipend upon completion of the campaign in June 2012.
