

Additional Services of BIANJ

We also have services that provide direct assistance to persons with brain injury and their families. Some of these services are support groups, a summer recreation and skills-building camp, a family support program, a mentoring program and an educational seminar. For more detailed information on these services, please visit our website at www.bianj.org or contact the Brain Injury Association of New Jersey by phone or e-mail.

Brain Injury Association of New Jersey

Helpline: 800-669-4323

Telephone: 732-745-0200

Fax: 732-745-0211

The Brain Injury Association of New Jersey is the only statewide organization in New Jersey dedicated to providing education, outreach, prevention, advocacy and support services to all persons affected by brain injury and to the general public. Whether you are a person with a brain injury, a family member or a friend of someone affected by brain injury, the Brain Injury Association of New Jersey hopes to be of service to you.

The Information & Resources Service is supported by the New Jersey Department of Human Services, Division of Developmental Disabilities, and the Division of Disability Services' TBI Fund.

No brain injury is too mild to ignore
or too severe to lose hope.

We can help you with:

- Information
- Resources
- Support

Facing a brain injury

Individuals and families affected by brain injury are faced with many and varied situations along the road to recovery and in the course of everyday life. You may have questions about what resources are available to help along the way.

The Brain Injury Association of New Jersey is here to help.

Its Information & Resources Service is available to persons with a brain injury, family members or friends, professionals and the public. We can help you gain a better understanding of brain injury, and of available rehabilitation, legal and medical resources. We can provide free materials that will help guide you through the major stages and transitions of brain injury.

How can I contact the Brain Injury Association of New Jersey?

An Information and Resource Specialist can assist individuals and families with specific requests by calling the Information and Resources Helpline, at **(800) 669-4323** or an e-mail can be sent to **info@bianj.org**.

The Brain Injury Association of New Jersey's Information & Resources Library

Additional supports available to individuals and families through our Information & Resources Library include:

- A library of articles available at our website, www.bianj.org
- A library of articles, information and resources on a range of brain injury and disability topics, located in our Edison office and available for mailing
- A browse-and-borrow brain injury book and video library located in the office, with books and videos available for mailing.
- A CD-ROM Brain Injury Resource Center, which gives users access to a library of information on brain injury developed by the Brain Injury Association of America and available for use in our office

To request information about any of the above services, or to schedule a visit to our library, contact an Information and Resource Specialist.
