Brain Injury Association of America

RESILIENCE THROUGH ART WORKSHOP

Join us for an inspiring in-person art workshop designed for individuals with brain injury to creatively share their unique experiences.

Led by Elizabeth Van Roten, BIANJ's Director of Support Services, participants will receive guidance and prompts to help craft meaningful artwork that reflects their journey.

Art supplies will be provided, and the completed pieces can be submitted to the Atlantic Cape Community College Art Gallery's Brain Injury Exhibit.

No prior art experience is necessary—just bring your creativity and personal perspective!

Hosted at the following locations:

Saturday, May 2
10 a.m. - 12 p.m.

Thursday, May 7
10 a.m. - 12 p.m.

Wednesday, May 13
6-7:30 p.m.
